10	en_script	<p>ENGLISH RECRUITMENT SCRIPT</p> <p>Hello. My name is [redcap_user]. I work for Jhpiego on the research project that is being done to understand immediate postpregnancy family planning in Kenya. As you know, we have been talking with women in your community who recently gave birth so that we can learn what services women need, what services women have already received and how to make services better. As you may remember, we met several weeks when you visited one of our study facilities to receive pre-natal care. As we explained when we last met, we are planning to talk to women who enroll in this study for a second time when they return to the facility for delivery, and then again six months after they have given birth.</p> <p>When we last met, you were enrolled in our study and we asked you some questions about the care you had received. Based on the information you provided during that meeting, we think you have passed your delivery due date. However, we have not seen you yet back at the facility. We are contacting you now to find out more about your delivery and about why we have not met you again.</p> <p>If you agree, we will ask you a few questions to find out more about your delivery. These questions are meant to help us understand how we can do a better job with our study and how you answer them will not affect any of the healthcare you, your child or other members of your family receive. Your responses will not be shared with the facility.</p> <p>If you agree to answer these questions, you can choose not to answer any question you are uncomfortable with and you may stop the interview at any time. We expect this discussion to take no more than ten minutes.</p> <p>Do you have any questions?</p>	descriptive
11	kis_script	<p>KISWAHILI RECRUITMENT SCRIPT</p> <p>Hello. Jina langu ni [redcap_user]. Nafanyia Jhpiego kazi katika mradi wa utafiti ambao unafanywa ili kuelewa upangaji uzazi baada ya ujauzito wa haraka nchini Kenya. Vile unajua ,tumekua tukiongea na wanawake katika jamii yako ambao walijifungua juzi? Ili tujue ni huduma zipi wanawake wanahitaji, ni huduma zipi wanawake tayari wamepata na jinsi ya kuboresha huduma.Vile unakumbuka ,tulikutana juma kadhaa wakati ulizuru mojawapo ya vituo vyetu vya utafiti kupokea malezi ya kabla ya ujauzito. Vile tulieleza tulipokutana mara ya mwisho ,tunapanga kuzungumza na wanawake wanaojisajiri katika utafiti huu kwa mara ya pili watakaporejea kituoni kujifungua , alafu tena baada ya miezi sita baada ya kujifungua.</p> <p>Tulipo kutana mara mwisho, ulisajiliwa katika utafiti wetu na tulikuuliza maswali kuhusu malezi uliyopokea . Kuzingatia habari uliopeana wakati wa mkutano huo, tunafikiri tarehe yako ya kujifungua imepita.Ingawaje hatujakuona ukirudi kituoni. Tunawasiliana na wewe sasa ili kujua zaidi kuhusu kujifungua kwako na mbona hatujakutana tena.</p> <p>Ikiwa utakubali, tutakuuliza maswali machache ili kujua kuhusu kujifungua kwako. Maswali haya yanakusudiwa kutusaidia kuelewa vile tunaweza kufanya kazi mzuri kuhusu utafiti wetu na vile utayajibu hakutahadhiri huduma zote za afya ambazo wew ,mtoto wako ,au wanafamilia yako wanapokea.Majibu yako hayatajulikana kituoni.</p> <p>Ikiwa utakubali kujibu haya maswali,unaweza kutojibu swali lolote ambalo hauko sawa nalo na unaweza kuzitisha mahojiano wakati wowote.
